

Using the backside of the pattern (use a light box or photo copy a mirror image of the pattern) Trace appliques onto the Lite steam a seam 2, on the backside of the sticky side of the sheet.
 Cut out the applique designs from the lite steam a seam 2. Place designs onto correct fabrics/wools. Cut out appliques 1/8th past the drawn lines. Place appliques onto the fabric/wool piece, using the layout guide (right side of pattern). Once you have removed the steam a seam paper, Press with a steam iron, letting the steam bond the steam a seam to the wool mat. Blanket stitch or whip stitch around all appliques using the floss of your choice. Add Stars in a random layout using white or off white floss. Cut flannel to match mat, cut lite steam a seam 2 for flannel 1/2" smaller than flannel and press to mat, (it hides all those awful ends and pieces on the back, yay) blanket stitch around outside edges. Enjoy

Draw mat pattern onto freezer paper, iron on to black wool and cut out shape (use a rotary cutter, it gives a cleaner cut).
